

**CAP is a unique opportunity** for the Greater Pine Bluff Chamber of Commerce to provide members with an insurance benefits package. Available exclusively to Chamber members in good standing, the package includes health insurance by QualChoice, group life provided by Unum Provident and individual health by United American. By joining The Chamber and CAP, members enjoy insurance benefits previously too costly for them to purchase on their own.

For more information including local authorized agents, please call The Chamber at 870-535-0110.

### About QualChoice

Though many of the state's largest companies like Dillard's and St. Vincent Health System depend on QualChoice for their health plan, QualChoice's specialty continues to be serving Arkansas' small and medium-sized companies.

For ten years, QualChoice has been building trust throughout the state by providing better plan options, a better network of hospitals and physicians and better customer service.
